PLEASE USE THIS TEMPLATE IF YOU ARE PURCHASING OUR RANGE OF BLACK POSTS

Crowd Control Solutions

Cafe Banner Graphics Template

Template 1 - Please use template 1 if you are purchasing our black post range
Template 2 - Please use template 2 if you are purchasing our stainless steel post range
Template 3 - Please use template 3 if you are purchasing our chrome post range

The below templates are for cafe banners to fit either our black, stainless steel or chrome posts

These templates are provided at the full size.

Please use all of the art board (green area) however please ensure all important aspects of the artwork are kept within the safety area (red dashed line).

Please submit your artwork files to the below specification:
-CMYK colour mode, ensuring any Pantone/spot colours have been converted to CMYK.
-Do not include crop marks.
-High resolution, min 300dpi (JPEG/PNG files can be accepted if artwork is provided at the full size)
-Please convert all fonts/text to outlines or ensure they are embedded into your PDF file.
-Please ensure any linked files are embedded into your file.

If anything is unclear with the details in this template then please email us for help or advice
