

This template is for our large sail flag graphics.

This template is provided at 10% of the full size. Please remember this if using JPEGs or PNGs in your artwork.

Please use all of the artboard (blue area) for your artwork however please ensure all important aspects of the artwork are kept within the safety area (red dashed line).

Please submit your artwork files to the below specification:

- CMYK colour mode, ensuring any Pantone/spot colours have been converted to CMYK.
- Do not include crop marks.
- High resolution, min 300dpi (JPEG/PNG files can be accepted if artwork is provided at the full size)
- Please convert all fonts/text to outlines or ensure they are embedded into your PDF file.
- Please ensure any linked files are embedded into your file.

If anything is unclear with the details in this template then please email us for help or advice
